

Our Mission

For more than 135 years Brenau University has challenged students to live extraordinary lives of personal and professional fulfillment. As students pursue undergraduate and graduate degrees or non-degree programs at Brenau campuses and online, each prepares for a lifetime of intellectual accomplishment and appreciation of artistic expression through a curriculum enriched by the liberal arts, scientific inquiry and global awareness.

Brenau students represent a tapestry of rich cultural and geographic backgrounds, interests, talents and viewpoints. Because Brenau respects individual differences, it creates an environment that both nurtures and nudges students from their comfort zones. Brenau blends the old with the new, the traditional with the innovative.

We believe and thoughtfully plan for the Brenau graduate to be equipped with the tools and confidence necessary for an extraordinary life, a lifetime leading to personal fulfillment, professional rewards and significant contributions to the welfare of others.
